

I am writing regarding the proposed changes in the (LPFM) area. I frequently listen to KLOVE radio both at home and on the road. I love the fact that I can find "family safe" programming virtually everywhere I go in KLOVE. I have been in law enforcement for almost 20 years and I know the impact many "alternative" stations have on people (especially the youth) of america. I believe KLOVE provides an extremely important public service. I believe that any change that would or could impact the continued operation in any area of this great country of ours would be a great disservice to the public interest. Thank you for your time and consideration into this matter.
